"All vendors who wish to erect canopies (including umbrellas) on the Farmers' Market site during the normal period of Market operations, including the set up and break down period, are required to have their canopies sufficiently and safely anchored to the ground from the time their canopy is put up to the time it is taken down. Any vendor who fails to properly anchor his or her canopy will not be allowed to sell at the Farmers' Market on that Market day, unless that vendor chooses to take down and stow their canopy and sell without it." This is in accordance with the rules of the Washington State Farmers' Market Association.
